Elvingston Stud Conditions

1. **Stud Fee** - The Stud Fee for ARIES in **2014** is **£250**. This fee must be paid in full before the stallion covers the mare.
2. **Farrier/Shoes** - The Mare must have all shoes* removed before arrival at the stud. The Stud reserves the right to have any shoes removed and the Mare's hooves dressed by a Registered Farrier as required at the Owner's expense. *With the exception of special remedial front shoes only.
3. **Passport** - The Mare must have a valid Equine Passport accompanying her on arrival at the Stud, which must remain with the Stud during the Mare's stay.
4. **Scanning** – It is Stud Policy to Scan all mares. Scanning costs are solely the financial responsibility of the mare Owner. Please note that Scanning is NOT covered by Insurance Policies under Vet Fees. Please check with your Insurer
5. **CEM & EVA** – Elvingston's Stallions are all tested C.E.M. and E.V.A. Negative at the start of each breeding season. All Mares arriving at the Stud for natural service must be certified free of C.E.M. & E.V.A. for the 2014 breeding season. Certificates must accompany the mare on arrival at the Stud. Without these certificates the Stud will have these tests carried out by the Stud Vet at the Owner's expense. The Stallion will not cover the mare until these results come back negative.
6. **Worming** - The Mare/Foal will be wormed on arrival at the Stud and every six weeks thereafter at the Owner's expense. Owners may provide their own wormer provided it is previously approved to be of acceptable type and dose with the Stud.
7. **Equipment** - All Mares MUST arrive with a suitable headcollar that can be left on safely in the field. No responsibility can be taken for any equipment left at the Stud being damaged or lost. It is strongly advised that any equipment left at the Stud has the Mare or Owner's name clearly marked thereon and is not highly valuable or irreplaceable.
8. **Vaccinations** - It is strongly advised that the Mare/Foal have appropriate and current vaccinations before arrival at the Stud. The Stud cannot be held responsible for any illness, disease, tetanus, infection, worms, theft, death or any other injury that results from the Mare/Foal visiting the Stud
9. **Strangles and Contagious Diseases** – It is the responsibility of the Mare Owner to inform the Stud if the Mare is known to be a carrier, contracted or come into contact with Strangles or any contagious equine disease. If the Owner knowingly introduces Strangles or any contagious disease to the Stud they are fully financially liable for any costs incurred including vet fees and quarantine measures that have to be enforced.
10. **Insurance** - Although every effort is made at Elvingston Stud to prevent accidents/injury/disease/loss/theft of any kind, the Stud, its Staff and Associated Workers cannot be held liable in any way for any such misfortune. It is strongly recommended that Mares and Foals be adequately insured prior to arrival at the Stud. If the Owner fails to insure their Horses and effects, the Owner assumes full liability for any loss or damage incurred including vet fees and third party legal liability. The Stud does not carry insurance cover for visiting mares or foals.
11. **Vet** - Veterinary treatment for Mares/Foals in the care of the Stud shall be summoned if deemed necessary by the Staff. All Veterinary costs incurred shall be sent directly to the Owner from the Veterinary Surgeon and are the sole financial responsibility of the Owner. Every effort will be made to contact the Owner in the event of any emergency Veterinary treatment; however the Stud cannot be held responsible if the Owner is not contacted prior to any treatment carried out on the Veterinarian's recommendation and the Owner is responsible for the costs of any treatment even if prior permission is not sought.
12. **Covering** - Elvingston Stud reserves the right to refuse covering if it is apparent the Mare is in an unfit state of health for breeding or the Mare poses a threat to herself, the Stallion or Handlers due to adverse behaviour. In this circumstance the Mare must be removed from the Stud at the Owner's expense immediately. All livery costs and outstanding fees must be paid in full before the Mare is removed. The Owner can switch the mare to A.I. at the Stud's discretion. The Stud Fee will NOT be refunded in these circumstances.
13. **Livery Fees** – All livery fees incurred while the mare is at stud must be paid in full before the mare is removed from Stud. Cheques will not be accepted on departure as these clear after the mare has been removed. Payment by cheque must be made a minimum of 7 working days before the mare is removed from Stud. Payment by Electronic Bank Transfer and Cash are acceptable methods of payment. The Stud reserves the right to withhold the Mare until all fees incurred during the Mare's stay have been paid in full.
14. **Deposit** - The non-refundable Stud Fee Deposit (**£100**) must be paid in full with submission of the fully completed Nomination Form in order for it to be deemed valid.
15. **For natural covering** the remainder of the Stud Fee (**£150**) must be paid in full on the Mare's arrival at the stud. All livery and all other outstanding fees incurred must be paid in full prior to the Mare's departure from the Stud.
16. **NFFR Terms** - If the Mare is scanned not in foal by the 1st October 2014, (must be certified in writing by a registered practicing veterinary surgeon) the nominated Mare is entitled to a **Free Return** visit in the next breeding season. This does not entitle the Mare to livery or veterinary costs, only a free return to the Stallion in 2015. If the Stud Fee alters in price, the mare owner is neither eligible for any refund nor required to make any additional payment of the difference. **Live Foal Guarantee:** The Stud guarantees a live foal (48 hours after birth) or the mare is entitled to a free return to the stallion. Livery and vet fees still apply as per NFFR above.

Statement:

I hereby confirm I have read and fully understand and agree to abide by all the Conditions set out in this Nomination Form by Elvingston Stud, part of Elvingston Farm Produce Ltd.
